Hi Jim,

I just heard from the def atty, he does anticipate a plea however he is concerned that his client could give him a hard time and try to back out. If you could be on call and give me a number that I can reach you at, that might save you the trip from coming over here.

Hi Jim,

I spoke with Def Counsel on Friday and he indicated that it would be a plea, I will let you know as soon as I can when it has been removed from the JT list.

Thank you.
